#### 1<sup>st</sup> November 2019 PRINCIPAL'S MESSAGE

Dear Families,

#### **Kindergarten Orientation**

Our new Kinder students for 2020 began their orientation program last week, an intensive 5 session program for the new students and their families. Our orientation program consists of visits to the classroom so students can familiarise themselves with some activites, talks and displays to the parents by teachers, our P&C and external groups such as staff from our uniform supplier The School Locker. Parents receive information about the Best Start assessement program and the teachers have an opportunity to get to the know the new students social and academic needs.

I would like to sincerely thank Mrs Smalley and Mrs Collie for their hard work and efforts in organising such an important program. If you know someone who is turning 5 years old before 31<sup>st</sup> July 2020, they are eligible to apply for enrolment at our school and although the orientation program has begun, we will take applications throughout the rest of the year.

#### **Congratulations to Jarran Trindall!**

This week Mrs Smalley had the pleasure of watching Jarran Trindall from 1 Uluru receive an award for his achievements in Literacy at the Aborignal Student Achievement Awards. He has worked very hard this year to improve his reading and writing and it was great to see him rewarded for all his hard work.

# Staff Carpark Driveway

The safety of our our students and families is my most paramount concern. As such, please do not drive your car into the staff carpark driveway to drop off your child in the morning. We have many families who walk along Lawrence Hargrave Rd on the school's side of the road. Very worryingly, I received a complaint that a car nearly hit a toddler who was walking on the footpath. Dropping your child on the side of the road is a much safer process. I thank you in anticipation of your support of ensuring students' safety.

#### **Professional Learning**

I was off site most of this week because I was attending the NSW State Primary Principal's Association annual conference in town. This conference is a wonderful opportunity to learn what is excelling in other schools and I love visiting the sponsors stalls to see what new resources are available to benefit our students's learning and school environment. I look forward to sharing my learning with our staff on my return next week.

Quote for the fortnight:

"The capacity to learn is a qift, the ability to learn is a skill, the willingness to learn is a choice."

# **PERCUSSION COURSE FOR YEAR 3 AND 4 STUDENTS**

Students are now back into our usual routine and will develop their percussion playing skills, read music, perform as a team and improve their musicianship.

On Wednesday 6 November we will rehearse our performance for the Kindergarten Orientation parents. This performance will be on **Wednesday 13<sup>th</sup> November** in the Hall at approximately 10:00-10:15am and parents of percussion students are welcome to attend and watch.

# **BREAKFAST CLUB**

Our **Breakfast program** offers a healthy start to the day for many of our students. It features Cornflakes, Weetbix, toast, jam, honey, sultanas, milk and fruit pieces. All food is free and we encourage you to send your child if they miss breakfast at home. **A heathy breakfast helps students to concentrate and learn!!** 

Students always follow their STARS in Breakfast Club and earn PBL tokens (which convert to DOJO points). Well done to students who work in Breakfast Club and many thanks to our food provider partners **FOODBANK** and **Gift of Bread!** 

Each morning at assembly, interested students speak and acknowledge the hard work of students working in Breakfast Club. These public speakers are STARS leading the way! Breakfast Club is open to all students in our school, 5 days per week in the C4K room from 8:30–8:55am.

# **ENGLISH CLASSES**

Our second English class occurred on Thursday 31st October and was well-attended by parents, carers and the community.

# **CONNECTING CULTURES (Multicultural Day)** | **Wednesday 27th November** Our **Connecting Cultures Day** will feature cultural food, performances and great classroom activities, as we celebrate our diverse multicultural backgrounds. This is one of the biggest events in our school community!

A small contribution by you (food, help, teaching dance routines etc) will make a big difference for this fantastic day and if many parents/carers help, great things will be achieved!

#### **CRUNCH N SIP**

The Crunch N Sip program is a highly successful initiative to encourage the children to improve their daily intake of fresh fruit and vegetables and to drink plenty of water. You can support this initiative by making sure that your child has their "Fruit Break" snack every day and an extra bottle of **water** to have available in the classroom.

# NO HAT- SHADE PLAY

Does your child remember to bring their hat to school every day? Families are reminded that children need to have a hat to play in the playground with their friends. Children who do not have a hat are required to play under the shaded areas.

#### SCHOOL BANKING 2019

School banking takes place each Wednesday.

Students Commonwealth bank books will be collected from their classrooms and returned to their teachers for return to students.

If you would like to open an account with the Commonwealth Bank for your child please speak with School Banking Co-ordinators on any Wednesday in the C4K Room.

# LIVERPOOL NEIGHBOURHOOD CONNECTIONS- SCHOOL CANTEEN

A variety of freshly made healthy snacks are made daily and available at recess and lunch. Watch the blackboard for fresh homemade soups and meals that may vary daily depending on season. Canteen lunch orders need to be placed by 9:00am.
